

Look at Me, I'm a Tree

Music and lyrics by Lisa Litman

Look at me, I'm a tree,
And my roots go way down low (make a low sound).
Look at me, I'm a tree,
And my branches go up high, high, high (make a high sound).
Look at me, I'm a tree,
And my trunk is nice and strong.
I grow fruit – yum, yum!
I make shade, ahhhhh,
Now won't you help me sing my song?

One more time –

Look at me, I'm a tree,
And my roots go way down low.
Look at me, I'm a tree,
And my branches go up high, high, high.
Look at me, I'm a tree,
And my trunk is nice and strong.
I grow fruit – yum, yum!
I make shade, ahhhhh,
Now won't you help me sing my song?
Hooray for trees!
