WHAT DID YOU

Think?

WHICH aspects of the author's story do you most relate to? **WHICH** are most different from your own family's experience?

If you could hear this same story from another character's point of view, **WHO** would you choose? **WHY**?

HOW did this book deepen your understanding of Israel?

If you were to pick an object that carries *your* family memories (as the vacuum cleaner does for Shalev), **WHAT** would you pick? **WHAT** story would you tell?

If you had the chance to ask the author of this book one question, **WHAT** would it be?

Like PJ Library on Facebook and join author Meir Shalev on Sunday October 14th at 3 p.m. EDT. Can't make it? Use these discussion questions to help spark your own chat with friends.
