

HANDS ON!

Make a Handprint Menorah

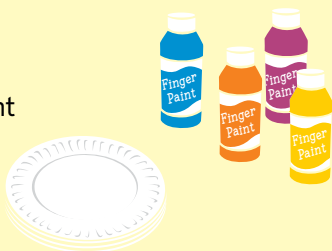

Bunnies have paws, but kids have hands — and when put together the right way, two handprints make for very handy menorah art.

Supplies

Washable finger paint

Paper

Paper plate

Spread paint on a paper plate. Have children press their hands into the paint and then press them onto the page with fingers outspread and thumbs held together. The thumbs will leave a single “candle” in the center.

Dip a finger into yellow and orange paint to make flames above each candle.

Happy Hanukkah!
